About the college:

Padmasri N.B.K.R. founded Harijana Vidyarthi Udhara Sangham (HVUS) in the year 1936. N.B.K.R. Institute of Science & Technology was established under the aegis of HVUS in the year 1979. The Institute is located in a sprawling 185 acre-campus on the bank of the river Swarnamukhi at Vidyanagar near Vakadu, Nellore district, Andhra Pradesh. The Institute is about 135 kms from Chennai, 95 kms from Tirupathi and 25 kms from Gudur railway station.

N.B.K.R. Institute of Science & Technology is an Autonomous Institute affiliated to JNT University Anantapuramu. This Institute is reaccredited by NAAC (UGC) for the second cycle with "A" grade. All B. Tech courses are accredited by National Board of Accreditation (NBA) under TIER-I. UGC accorded the status of "college with potential for excellence (CPE)".

The institute offers B. Tech programmes in Civil Engg., Electrical & Electronics Engg., Electronics & Communication Engg., Mechanical Engg., and Computer Science & Engg. M. Tech programmes are offered in Power Systems, Computer Science & Engineering, Digital Electronics & Communication Systems and Advanced Manufacturing Systems. The Institute has R&D cell and recognised research centres of JNT University Anantapuramu offering Ph.D programmes.

Guest lectures are regularly organised on latest trends by eminent industry experts, Entrepreneurs and HR managers.

The institute campus houses academic blocks, Boys and Girls hostels, Open air auditorium, sports complex, staff quarters etc. The Institute focuses on skill and professional development of the graduates through student run clubs, technical associations. Professional chapters like IEEE, ISTE, IETE, CSI and IE(I) help our students to run several activities.

Department laboratories and Computer Centre has state-of-the-art equipment to fulfil the needs of the researchers, student and faculty. The central library is well stocked with books, journals, magazines and news papers. It subscribes thousands of e-journals, e-books. The e-resources can be accessed through the campus network.

There are adequate opportunities for co-curricular and extra-curricular activities helping students to gain overall skills. Industrial and relevant field visits arranged by us expose the students to practical learning experience.

Industry Institute Partnership Cell (IIP Cell) caters the needs of the Institute and Industry by way of Internships, consultancy.

About the department:

The dept. of Civil Engg., has well equipped laboratories with state-of-the-art technology. The dept. has highly qualified faculty members. The department is well known for the quality consultancy which it has been offering ever since its inception.

About the Programme:

Civil Engineering Department is organizing many events over the last 35 years at the state and national level. **PARIGRAH-2K19** is a National Level Technical Symposium for the young technocrats.

Objective:

The objective of this programme is to encourage the students to improve their technical & communication skills. This programme provides a platform for students to share their innovative ideas and gain knowledge on contemporary issues in Civil Engineering.
